

B&B at Newbourne Woodland Campsite

We now have just one self contained B&B room for two people only, in the house at Newbourne Woodland Campsite. It has its own separate entrance from outside, so you can come and go at your leisure. There is a small veranda and a few steps up to the room, so it may not be suitable for elderly or disabled people. Well behaved dogs are welcome but they must bring their own bed!

The good sized bathroom has a walk in shower, with toiletries and plush white towels provided. The bedroom is large, light and airy with everything to make your stay as comfortable as possible. The hostess cabinet contains an Alaska silent drinks cooler as well as all the cutlery and crockery you might need. No need to fiddle with sachets and capsules - you'll have a good variety of teas, coffees and hot chocolate with a supply of milk in the cooler. The Freeview TV also has a dvd player, and there is free wifi available.

A generous, varied and delicious continental breakfast will be left outside your bedroom door at 8am every morning, so you can get up whenever you like, and eat at your leisure. We can cater for food allergies and intolerances if informed in advance.

This is a delightful room with a comfortable king size or twin beds. The room has excellent facilities and is on the edge of the village of Newbourne. There is a lovely old pub in the village which serves food all day and is dog friendly, and the Information Cabin on our campsite across the road has lots of information about the many local walks and interesting places to visit in the vicinity.

Tariff £80 per night with two night minimum booking. There is no extra charge for a dog, or reduction for single occupancy. Please call or email Jen for enquiries or to book.
